Subject: Status Update - 2008 E-Series - 6.0L Diesel Engine

The purpose of this notice is to advise that Ford Motor Company has reached an agreement with our supplier to offer the 6.0L diesel engine in the 2008 E-Series.

E-Series Product Line: The diesel option will again be available on E-350 regular length wagons, E-350 Vans and E-350 & E-450 Cutaways.

Production Timing: The 6.0L diesel will not be available for production at Job #1 of the 2008 model year on August 6, 2007. Production timing is still in the planning stages.

Additional ordering, scheduling and pricing information will be communicated to you as soon as it is available.
