

Blaine Lake Ambulance Care Recruiting

Opening Date: May 29, 2009
Closing Date: Open
Positing: Part Time EMT/PCP
Starting Date: Immediate

Job Description

A part time position with responsibilities in accordance with current practice guidelines associated with Saskatchewan Health Protocols in providing BLS care to patients in the service area.

In addition, ensuring consistent and proficient utilization of medical and communications equipment; maintaining a positive, professional relationship with field personnel, administrative staff, associated law enforcement agencies, fire, and medical personnel as well as demonstrates a positive leadership role.

The position encompasses a combination of regular worked hours, on call hours, shift/weekend differentials and overtime hours. There is a great deal of diversification and opportunity in our BLS service to advance any level of practitioner certification.
