

## **EMERGENCY MEDICAL TECHNICIAN/PRIMARY CARE PARAMEDIC**

### **MILESTONE EMS has openings for casual EMT/PCP**

Reporting to the EMS coordinator, the EMT/PCP provider is responsible for responding to emergent and non-emergent calls for service, and for providing initial assessment, treatment and transport of ill or injured persons at the basic life support level. Milestone EMS is a community operated service contracted by the Regina Qu'appelle Health Region.

### **QUALIFICATIONS:**

- EMT/PCP currently licensed in Saskatchewan
- Current Saskatchewan Class 4 Driver's License
- Driver's Abstract
- Criminal Records Check
- ITLS
- CPR Health Care Provider C with AED Certification
- Physically Fit
- Must have a high level of technical skills and knowledge as an EMT/PCP
- Strong patient focused interpersonal skills
- Above average ability to respond and function appropriately during stressful and emergent situations
- Thorough knowledge of application and operation of all equipment pertinent to the job
- Demonstrated ability to communicate effectively both verbally and in writing
