

Primary Health Care Committee

Terms of Reference

Purpose

The Primary Health Care Committee is responsible for researching Primary Health Care, developing opportunities for Emergency Medical Services personnel in Primary Health Care throughout the Nation, and in turn promoting best practices to become leaders in the profession.

Communication

Activities of the Committee will be reported to the SEMSA Board of Directors at regular scheduled meetings and annually to the general membership.

Membership

The Committee will be co-chaired by two (2) SEMSA Directors. Membership will consist of five members drawn from the SEMSA membership, EMS stakeholders or an associate member in good standing. The Committee will have a member combination of urban and rural members. If there is a requirement for a sub-committee, recommendation for the sub-committee will be submitted to the Board of Directors for approval. All members of the committee serve in a volunteer capacity.

Meetings

Meetings will be called by the co-chairs on an as needed basis to accomplish the purpose of the Committee.

Achievement

The achievement of the *Primary Health Care Committee* is to provide leadership and direction of opportunities in Primary Health Care for Emergency Medical Services.

Priorities

- Research
- Network
- Develop a strategic plan
- Educate membership
