Congratulations to all Award Recipients!

We appreciate His Honour the Honourable Dr. Gordon L. Barnhart, Lieutenant Governor of Saskatchewan, for hosting today's ceremony.

Each recipient of the Governor General of Canada EMS Exemplary Service Medal receives a medal and certificate for recognition of 20 years of exemplary service. The Governor General's EMS Exemplary Service Medal is Canada's highest EMS honour.

The Second Award of the Governor General of Canada EMS Exemplary Service Medal is the First Bar, which complements the medal. Each recipient receives a bar and certificate recognizing an additional 10 years of exemplary service.

The recipients of the Stars of Life Award receive a hand-crafted, glass sculpture commissioned for this ceremony.

The award is designed by Randy Bergman, Uniquely Sculptured Glass, Little Bear Lake, Saskatchewan.
